Junior QA Manual

City: Barcelona/Sant Cugat

Role: Junior

Recruiter name: Núñez González Alberto (ERNI)

Recruiter email: alberto.nunez@betterask.erni

Description

At ERNI we are looking for a Junior software professional to join one of our most important customers from the pharmaceutical industry. You will act as a QA Manual to test laboratory workflow software which is widely used around the world.

Responsibilities

- Effectively estimate the effort of the testing activities.
- Execute test cases during preliminary and final test phases, analyzing test results, reporting and tracking issues, and verifying fixes.
- Giving early feedback about defects and issues. Properly entering and updating defects and enhancement requests in NIC Tracking Tool.
- Create, maintain and review test cases for software in all lifecycle phases according to the provided documentation and within the specified tools.
- Assist the Test Manager with the creation of required test documentation (e.g. test plans and test reports).
- Review requirements and specifications documentation to ensure clarity and testability.
- Responsible for test case coverage for the project.
- Work in a scrum team sharing responsibilities and committed to achieve team's objectives, encouraging and promoting quality.
- Participate in the change review board with assessing and assigning issues.
- Configure and managing Test Environments.

Job requirements

- Superior studies related to computer sciences (university degree or superior vocational training).
- Be proactive and a team-player person, eager to learn and develop in a software QA role.
- High level of English (B2 at least).
- Professional or internship experiences in IT sector and specially Software QA Manual will be highly valued.
- Experience with QA technologies such as Jira and HP ALM is desired.

Benefits

- Permanent contract.
- Hybrid working model, between 4-6 days from office per month.
- Home Office monthly expenses compensation + extend working set up (ergonomic chair, 2 screens…).
- Self-managed flexible working hours 40h/week +/- 10%.
- Friday intensive shift.
- Private medical insurance for you and a competitive flat race price for your relatives.
- 100% salary coverage for sick leave.
- Free language courses: English, Spanish, German.
- Gym funding.
- Transportation bonus for non-Barcelona/Madrid city working locations.
- Re-allocation funding from 1.000€ to 2.000€ depending on the source country.
- Flexible payroll.
- Candidates referral program bonus from 1.000€ to 3.000€ depending on the candidate seniority level.
- Business opportunity referral program bonus from 500€ to 5.000€ depending on the opportunity size and customer.
- Learning Paths and Technical Coaches in our main Expertise Areas: DevOps, Agile, QA, Cloud, Al, Data, Software Development.
- Paid certifications in our Expertise Areas: DevOps, Agile, QA, Cloud, Al, Data, Software Development.
- Rewarded certifications from 200€ to 1.400€ per certification depending on the certification subject level, in addition to the paid exam.
- On-line and on-demand paid trainings in platforms such as Pluralsight or Udemy on our Expertise Areas.
- Events paid under request for topics related to our Learning Paths.
- Internal technical trainings done by our Subject Matter Experts.
- Internal Soft-Skills trainings with external trainers as main part of our learning curriculum.
