# Python Backend Developer

City: Barcelona/Sant Cugat

Recruiter name: Mendes Gonçalves Verónica (ERNI)

Role: Professional

Recruiter email:  
veronica.mendes@betterask.erni

## Description

At ERNI we are looking for a Python Backend Developer to work for one of our customers from the MedTech industry. You will join an engineering team responsible for building a complex, high- scale, real- time automation system, working closely with our client. We are looking for a developer with strong practical experience, and the drive and enthusiasm to succeed in a demanding and professional team environment.

## Responsibilities

- Take responsibility for the quality of what the team creates, helping to establish good practices.
- Weight in on technical decisions, facilitating decision making.
- Design and implement the features required.
- Deliver code and supporting documentation of the highest quality through good design, attention to detail and system testing on a timely basis.
- Work with skilled colleagues that are committed to delivering the best products possible.
- Work in an agile environment.
- Share knowledge and help colleagues both inside and outside of your team.
- Ensure our systems perform, and are reliable, scalable and secure.

## Job requirements

- 3 years of experience developing with Python 3.x.
- Hands on experience with AsyncIO.
- Be experienced with GIT.
- Good level of English (at least a First Level).

## Benefits

- Permanent contract.
- Hybrid working model, between 4-6 days from office per month.
- Home Office monthly expenses compensation + extend working set up (ergonomic chair, 2 screens...).
- Self-managed flexible working hours 40h/week +/- 10%.
- Friday intensive shift.
- Private medical insurance for you and a competitive flat rate price for your relatives.
- 100% salary coverage for sick leave.

- 
- Free language courses: English, Spanish, German.
  - Gym funding.
  - Transportation bonus for non-Barcelona/Madrid city working locations.
  - Re-allocation funding from 1.000€ to 2.000€ depending on the source country.
  - Flexible payroll.
  - Candidates referral program bonus from 1.000€ to 3.000€ depending on the candidate seniority level.
  - Business opportunity referral program bonus from 500€ to 5.000€ depending on the opportunity size and customer.
  - Learning Paths and Technical Coaches in our main Expertise Areas: DevOps, Agile, QA, Cloud, AI, Data, Software Development.
  - Paid certifications in our Expertise Areas: DevOps, Agile, QA, Cloud, AI, Data, Software Development.
  - Rewarded certifications from 200€ to 1.400€ per certification depending on the certification subject level, in addition to the paid exam.
  - On-line and on-demand paid trainings in platforms such as Pluralsight or Udemy on our Expertise Areas.
  - Events paid under request for topics related to our Learning Paths.
  - Internal technical trainings done by our Subject Matter Experts.
  - Internal Soft-Skills trainings with external trainers as main part of our learning curriculum.
