QA Automation

City: Barcelona

Role: Senior

Recruiter name: Núñez González Alberto (ERNI)

Recruiter email: alberto.nunez@betterask.erni

Description

At ERNI we are looking for a QA Automation professional to join one of our customers from the MedTech sector. You will be developing a medical device for diagnostic by image, a current solution built in Java Spring in order to migrate the current architecture to a new modular architecture based on events. After this first phase a team is going to be built around this role to build the new solution.

Responsibilities

- Create test cases based on existent requirements.
- Automate test cases with Selenium.
- Automate test cases with API testing tools.
- Create traceability matrix between requirements and tests.
- Create documentation to be in accordance with regulatory requirements.

Job requirements

- 5 years of experience as a QA Automation.
- Experience of 2 years or more working with Selenium.
- 2 years or more with CI/CD like Jenkins or similar.
- Be experienced for at least 2 years designing test cases.
- Experience with medical devices is a plus.
- Good level of English (at least First Level).

Benefits

- Permanent contract.
- Hybrid working model, between 4-6 days from office per month.
- Home Office monthly expenses compensation + extend working set up (ergonomic chair, 2 screens...).
- Self-managed flexible working hours 40h/week +/- 10%.
- Friday intensive shift.
- Private medical insurance for you and a competitive flat race price for your relatives.
- 100% salary coverage for sick leave.

- Free language courses: English, Spanish, German.
- Gym funding.
- Transportation bonus for non-Barcelona/Madrid city working locations.
- Re-allocation funding from 1.000€ to 2.000€ depending on the source country.
- Flexible payroll.
- Candidates referral program bonus from 1.000€ to 3.000€ depending on the candidate seniority level.
- Business opportunity referral program bonus from 500€ to 5.000€ depending on the opportunity size and customer.
- Learning Paths and Technical Coaches in our main Expertise Areas: DevOps, Agile, QA, Cloud, Al, Data, Software Development.
- Paid certifications in our Expertise Areas: DevOps, Agile, QA, Cloud, Al, Data, Software Development.
- Rewarded certifications from 200€ to 1.400€ per certification depending on the certification subject level, in addition to the paid exam.
- On-line and on-demand paid trainings in platforms such as Pluralsight or Udemy on our Expertise Areas.
- Events paid under request for topics related to our Learning Paths.
- Internal technical trainings done by our Subject Matter Experts.
- Internal Soft-Skills trainings with external trainers as main part of our learning curriculum.
