
Senior DevOps Engineer

City: Bratislava
Role: Senior

Recruiter name: Kučečková Petra (ERNI)
Recruiter email:
petra.kuceckova@betterask.erni

Description

We are looking for experienced DevOps Engineer who will become a part of newly formed team working for our Swiss customer, one of the most successful reinsurance companies. Is working with Linux and Docker essential part of your daily routine? If you answered YES to these questions, do not hesitate, and join our ERNI team.

Responsibilities

- Position includes:
 - Implement automation (CI/CD processes) using Azure DevOps
 - Responsible for the infrastructure provisioning, configuration, build and application deployment for a set of Docker/Python applications on Linux
 - Operational support including application monitoring and troubleshooting
 - Conduct systems tests for security, performance, and availability
 - Work collaboratively with the IT Operations team
 - Work collaboratively in architecting/developing solutions with the development team
 - Working and supporting the team of very skilled numerical programmers

Job requirements

- What are we looking for?
 - Thorough knowledge of Docker and Linux is essential
 - Proficient understanding and working experience with Microsoft Azure (preferred) or other cloud providers
 - Experience with code deployment tools (Ansible or SaltStack)
 - Proficient understanding of Git and DevOps standards and Agile principles
 - Strong troubleshooting skills

Benefits

- Interesting projects based on the newest technologies
- Opportunity for self-improvement and career growth
- Internal & external software development education and trainings (certifications) covered by ERNI

-
- Occasional business trips to Switzerland
 - Flexible working time & overtime compensation
 - 5 weeks of vacation
 - 3 sick days
 - Language courses (English, German), fully covered by ERNI
 - Personal budget
 - Referral & relocation bonus
 - Financial contribution for meals
 - New office
 - Team buildings (grill parties, Christmas dinner, Hack&Hikes, ERNI Performance Days - two day education & leisure event, sport events, company breakfast etc.) Well-established community: Meet-ups, Brownbag Sessions, Running club, Climbing club, Board games club, etc.
