Recruiter email: Winndee.Pilay@erni.ph

Description

ERNI is an international consulting company with more than 500 employees, highly specialized in IT & software engineering to enable and deliver innovation in process and technology. We support companies mainly in high tech in improving their processes and technologies. ERNI provides a combination of services in consulting and engineering (Microsoft Windows, Java EE and C++/embedded platforms), process and technology know-how. ERNI was founded in Switzerland in 1994 and is also active in Germany, Spain, Slovakia, Philippines, Romania and in Singapore. We are looking for a mid- to senior-level Xamarin Mobile Developer who can start at a short notice and join our development team in Manila. We also consider individual who has deep knowledge with either WPF or native mobile development and would like to shift to mobile app development using Xamarin.

Responsibilities

- Develop enterprise mobile applications using Microsoft Xamarin
- Design and document software requirement specifications
- Collaborate closely with internal and external teams and stakeholders to assure quality deliverables
- Write and perform developer/unit testing
- Conduct peer code reviews
- Write software documents as needed

Job requirements

- With at least 3 years of software development experience using Microsoft Xamarin or WPF
- Native mobile development experience (Java, Objective-C, Swift) definitely a plus
- Knowledge in mobile development lifecycle
- Experience in REST services with WebApi
- Good working knowledge of SQL principles (MS SQL or SQL Azure)
- Knowledge of Entity Framework a plus
- Source control management (preferably Git or TFVC)
- Strong knowledge of OOP and design patterns
- Familiarity with TDD and Agile development
- Excellent interpersonal skills
- Excellent problem solving and decision making skills
- Excellent communication skills in English, both verbal and written

Benefits

No late or night shift
Competitive compensation and benefits that includes allowances, health card and life insurance
Inspiring and international work environment
Latest tools, methodologies and technologies in place
Outstanding team collaboration, spirit and lots of fun
Continuous career development plan
